We want to understand why people choose to donate their time or money. Please share your motivation for helping support CCI and its mission. _____

CCI is a nonprofit organization and thus we rely 100% on volunteerism to drive our local efforts. We strive to create a “family feeling” both at events and outside of events. We aim for our events to be successful for all and a rewarding experience through the process. No one is left to “figure it out” at the event, but rather we provide education and the necessary materials for the event. Typically, we have several chapter members at a minimum at an event. Some events require as many volunteers as we can recruit (Mercury Basketball Game). Either way, great friendships develop and a fun time is had as we share the commonality of CCI’s mission.
